TRINITY UNITED METHODIST CHURCH

1809 North Main Street

Anderson, South Carolina

Ramblings from Rev. Roy

“The most important factor in church growth is not the size of the church, but the quality of the people in the church.” - Thom Rainer in Church Growth: Strategies that Work.

According to Rainer, as well as studies by Barna Group, the most important factor for churches that grow are the quality of church members that make up that church community. This means YOU! It means all of us.

We must be “all in” on our vision of “making disciples of Jesus Christ for the transformation of the world,” and our mission to “love God and all people, learn God’s will and ways, and live for Christ in the world.”

We must take our church vows seriously that we will do everything in our power to strengthen the ministries of the church through our prayers, presence, gifts, service, and witness.

We must be an inviting congregation, a welcoming congregation, an authentic congregation, and a missional congregation. We are #TrinityStrong.

Church growth is dependent upon us all. We have several events this month that are perfect opportunities to invite others into this wonderful church community.

- July 14 - Lake Day - hamburgers/hotdogs
- July 21-25 - Vacation Bible School
- July 28 - Blessing of the Backpacks

Of course, invite someone to worship with us any Sunday, or serve at Fortson Homes on Fridays this summer with us, or come to play pickleball (now available in the gym). Who might like to sing in the choir when it starts back up in August that you could invite? Who needs to be in the band that you could invite? Who has the gift of hospitality that you have noticed that could be a greeter? Who is not involved in a LifeGroup or Sunday School class that you could invite?

Remember, the most important factor of churches that grow are the members who make up the church community. That’s you. That’s me. That’s us. We are #TrinityStrong.

Grace and peace,

WORSHIP AT TRINITY UMC

July - "Miracles Everywhere"

The Gospels tell of Jesus' miracle ministry using two Greek words dunamis and simaios. In the synoptic Gospels, Matthew, Mark and Luke, the Greek word dunamis is used which means power – God's power to transform life. The Gospel of John primarily uses the word simaios, which means sign – a miracle that points to God's activity in the world. Where is God still at work? How are we called to be courageous participants? As we open our eyes and fill our prayers with expectation, we'll find miracles everywhere.

August - "Reset"

God's mercies are new every morning! But sometimes it is easy for us to get stuck in the same old routine. This new school year (and fall church calendar year) let's hit the "reset button," so we can claim the fresh start God makes available to us. As we rediscover our true identity in the love of God, we will discover new purpose and, guided by the compass of God's values, head off in an exciting God-given direction!

Red Shoe Reflections with Rev. Kathryn

Today I had the opportunity to go and deliver popsicles to the hard working team at one of the Piedmont Salkehatchie sites. The thermometer in my car read 97° outside, that's hot. The youth and adults working were very excited about cold popsicles in the afternoon heat. I have very fond memories of Salkehatchie. Yes, it is where I met Craig but it was also a chance for a young girl to be the hands and feet of Christ without saying a word. Public speaking is not really an issue for me anymore, but I dare say my actions then may have spoken louder than my words do now.

Seeing this act of service made me think about our Discipleship Path. To me, service is living for Christ in the world. We are called to serve our brothers and sisters as disciples. As you look to find your next steps on this path, perhaps you start with where to serve. You may be just beginning to see God at work, you may have fully accepted God's call on your life or you may be somewhere in between; you can still serve. Matthew 5:16 says, "In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven." Our service brings glory to God; our service allows others to see the light of Christ in us.

So the big question is how do I serve? There are many ways to serve here at Trinity, I am sure something will fit your gifts and graces. Still not sure, call me, we will find a place that fits your gifts. Still want specifics, check out this list...

I hope that sparked some interest and ideas. Still not sure, let's talk. There is a place for all to serve in the body of Christ.

July Edition

What's Happening in a Glance

Hello, friends. The dog days of summer are upon us - rough heat and the inevitable countdown to back to school. We await the summer with great anticipation only to watch it fly by. Our story focus this month is on John the Baptist. John had a special relationship with Jesus. He was an unusual fellow but a man who cared deeply about others finding life with God. He encouraged people to repent (turn away) from the things that get in the way of their relationship with God. It was true 2000 years ago and it is still true today; we have stuff that just gets in the way of our best life with God. Like a path in a garden, weeds grow up quickly where they do not belong and can take over. What areas of our lives can use a little weeding? What ways can we pause to enjoy time with God where other less important things are filling up and taking over? John the Baptist knew how important time was. He felt the urgency in telling people to not wait to get back to life with God. Every day separated from God is one too many. We need every day with Him. Jesus shows up at the water to get baptized by John at the Jordan River where John is baptizing others. John has an interesting reaction - he does not feel worthy of what Jesus is asking him to do. Why did Jesus get baptized? Why was John unsure about doing it? What happened as Jesus was coming up out of the water that gives us a tiny glimpse of the Holy Trinity together? We will discuss all of this in our lesson this month.

Check out our Instagram, Facebook and website for details. We continue to have our youth Sunday school class from 10:00 am—10:55 am in our youth room above the gym. If you are a youth or have a youth interested in plugging in this summer, email thewell.tumc@gmail.com. We also welcome adults willing to invest in our young people and if you have thought about helping occasionally or regularly with our youth, we have lots of opportunities to serve. Our church and the future of the church depends on our continued efforts to make disciples who make disciples and this includes our youth and children - the future church. We have room for you at the table. Come and see what is happening.

Monthly Mission News

July

This month our Monthly Mission Offering is going to support our own Trinity Youth Scholarship Fund. This fund allows any Trinity youth to attend events if they want to without finances getting in the way. Youth outings can get expensive, especially if parents have more than one youth. This fund helps alleviate that financial strain on our families. By supporting the Trinity Youth Scholarship Fund, we can help foster growth and discipleship by heeding the words of Proverbs 22:6, "Point your kids in the right direction—when they're old they won't be lost" (The Message).

Trinity Costa Rica Mission Trip 2025

God is good, all the time. All the time, God is good. We believe God will continue to bless our efforts as we prepare to send a Trinity team to Costa Rica in January 2025. We aim to serve in the Santa Rosa de Pocosal community in the same capacity as we have before; providing skills and labor to the construction project, offering Vacation Bible School and women's ministry, and donating resources to those in need. Soon, we will share details on ways that our church family can help with these projects. The team is thankful for your support and prayers. For information, contact Cynthia Keesler or Rev. Kathryn.

Facilities / Campus Report July 2024

July gives us the season of summer filled with beautiful flowers, green lawns, vacations and the sounds of children playing. Hopefully, you can find some time to relax, be thankful, and enjoy spiritual peace this month.

Let's give thanks to Eldon Zehr for his hard work, dedication, and donation towards upgrading the flower bed with new plantings in front of the church office. A huge appreciation goes out to Mark Gaillard for his hard work preparing the flower bed for Eldon with an advance dead plant and stump removal process.

We are continuing our scheduled summer facility maintenance projects of servicing HVAC systems, cleaning & waxing floors, and carpet cleaning, just to name a few things on our list. Please notify me regarding room request as some areas may be closed during the week while we perform maintenance or cleaning.

Last month with the assistance of Ken Ramsey and Sherryl Laing we installed two Pickleball courts in the gym. These courts will provide fun, casual games in a safe and convenient location. Ken and Sherryl will work with me to set a schedule for gym availability, practice and lessons for beginners. We are looking forward to Pickleball being a big part of our fall, winter, and spring gym activities.

Our facilities require constant maintenance, adjustments and service in order to provide the level of comfort you desire. With utility cost rising each month, we must all work together to conserve energy by turning off lights in empty restrooms and classrooms, and resetting thermostats to our night settings as you leave areas of use.

Together, we can continue to grow our church, offer comfortable facilities for worship, and broaden our Christian fellowship.

Peace & Grace,
David Ford
Business & Facilities Manager

It's Pumpkin Time! I know it seems early but the Pumpkins will be here before we know it. Our first load will be arriving Oct 5. Our Outreach Ministry Team will be accepting applications from Trinity members who wish to nominate a charity to receive funds during the month of July.

Applications to receive funds will be available July 1 and the deadline to turn them in is Aug. 1.

For an application or if you have any questions please contact Kathryn Bariou, kmbariou@umcsc.org.

Trinity UMC Membership Audit

The task of the church is to reach out to people and receive them in the name of Jesus Christ, to help them relate to God, to nurture and strengthen them in their journey of discipleship, and to send them into the world to live transformed and transforming lives.

The reason to do an audit of our members is two-fold. First, it should help us care for our members in better ways. It can help us realize who has moved, who has dropped out, who maybe has joined another church, or those who are now homebound. It should help us see where we may be falling short of our task, and how we might improve to help nurture and strengthen your journey of discipleship better. Secondly, it can help congregation members re-engage into an active church relationship if they have become inactive.

When we join a local United Methodist Church, we vow to participate by our "*prayers, presence, gifts, service and witness.*" Sometimes, of course, life prevents us from practicing all five of those vows, but are we engaged in as many as possible?

Gaining clarity on our membership statistics should enable us to better see the ebb and flow of people coming in and out and ask the ever-present question, "**How can we be a more faithful church in this age and this place?**"

Our goal is discipleship, not membership. But taking an honest and realistic look at membership is crucial. Over the next couple of months, all members will receive letters to which we will need your help and response to make this audit successful. **Together, we are #TrinityStrong!** Currently, our membership is 722 and 373 name tags have been made for those attending worship.

Why We Love Trinity UMC

The old country song by Clint Black "Love isn't something that we say, It's something that we do" comes to mind when I think of Trinity. I believe this church is full of people committed to do just that and we couldn't be happier being part of the family. My grandma taught me years ago to answer a phone with sunshine in my voice because you never know who was on the other end and needed it.

When we joined the church in 2011, I could feel the warmth of the people when they welcomed us. Our son was in 6th grade at the time and needed a youth group. Chris Lynch was the Youth Director and he started up a conversation with our son and made him feel like one of the guys. He has since graduated but his values were defined by what he learned in the youth group.

Then I see my daughter who has been raised in this church. She was welcomed by the older girls as a friend when she was young and she is a friend and fan of the younger people now that she is one of the "older" girls. I see her welcoming new people and I think, she is paying forward what she has been taught. And I know Trinity provided that frame, too.

I find myself looking around at any given event I work and witness all the people who come out to volunteer for the various events Trinity hosts. I think, what a blessing it is to be part of this family.

We have been witness to some great pastors who know how to deliver a message I think about long after the message is given. I appreciate their guidance, commitment and passion for our faith community. And then we have our very own Reverend Kathryn Bariou and Carolyn Brashear who have been inspirational in all they have done and continue to do.

My husband and I have had the opportunity to serve on several committees, volunteered for the Journey to the Resurrection, the Pumpkin Patch, the Spring Festival and in many other capacities because we appreciate this church and want to give back because ultimately, it's not what we say, but what we do.

God Bless Trinity!
