Ramblings from Rev. Roy

6 months in review..... January - June, 2025

When driving down the highway, we must always be looking out the front windshield and seeing what is ahead of us. Paying attention to the road signs or the traffic lights, and preparing for the curves or the traffic ahead. But it is also good to glance around in the side-view and rearview mirrors on occasion just to be aware of what is behind you. Life in general, and church life too is that way I believe.

I am looking forward to all the new things coming up in the fall and next spring - new studies and opportunities abound. But let's take a moment and look back at the first six months of 2025.

Outside of worship, we studied "Knowing Who We Are: The Wesleyan Way of Grace" and "The Third Day: Living the Resurrection". Both were 6 week studies.

We sponsored and sent out 16 on a Costa Rica mission trip in January, and our youth attended "Revolution" weekend in Columbia. In February, we had a wonderful youth sponsored Valentine's Dinner, worked with Rebuild Upstate for three days to replace flooring in a home, and we had a workshop on "Marriage and Relationships" given by Epworth Counseling Center Director, Dr. Susanne Thurber. In March, we had Shrove Tuesday pancakes, Ash Wednesday service, two Emmaus Walks (men's and women's), and the Trinity Women's Spiritual Retreat in Hendersonville. In April, the children had their Easter event in the gym, and we had our Maundy Thursday service and big Easter breakfast. We also had a special Wednesday night baptism service. May was our Trinity Spring Fest and Fun Run/5k, learning and connecting with our Jewish neighbors, our Graduating Senior Recognition, and hotdogs for Memorial Day weekend service. Salkahatchie Piedmont was in June, along with a Trinity Kid's trip to the Aquarium in Atlanta.

Of course, we had Wednesday night meals, LifeGroups, The Well Youth Ministries, Young at Heart gamedays and monthly lunch outings, tutoring at Fortson Homes, etc.

We collected and donated \$6,166.00 for our monthly missions, plus 409 lbs. of food donated to Good Neighbor Cupboard and 1,532 bottles of water/gatorade donated to South Main Mercy Center.

We also received 9 new members into fellowship here at Trinity, and baptized 4 children.

The first six months of 2025 have been pretty amazing here at Trinity, and I look forward to what is ahead of us. So together, let's hear these words from the Apostle Paul in his letter to the Philippians.....

Philippians 4 - Be glad in the Lord always! Again I say, be glad! **5** Let your gentleness show in your treatment of all people. The Lord is near. **6** Don't be anxious about anything; rather, bring up all of your requests to God in your prayers and petitions, along with giving thanks. **7** Then the peace of God that exceeds all understanding will keep your hearts and minds safe in Christ Jesus. **8** From now on, brothers and sisters, if anything is excellent and if anything is admirable, focus your thoughts on these things: all that is true, all that is holy, all that is just, all that is pure, all that is lovely, and all that is worthy of praise. **9** Practice these things: whatever you learned, received, heard, or saw in us. The God of peace will be with you.

Grace and peace,

WORSHIP AT TRINITY UMC - 2025

August 3 - September 7 - On Purpose Series

Have you ever asked this question: Why am I here? Trying to discover the purpose of our lives can lead to a lot of questions: Who am I? Do I have a "calling"? What am I supposed to do with my life? What does purposeful living look like? Often, the world is all too ready to give us answers to these questions—promising that finding the perfect job or achieving the next milestone will make us happy. But in this series, we will embrace these questions as an invitation to discover what it is that God wants to do with the story of our lives right now. (Breakthrough Worship Resources)

Clearcut categories are helpful. They make life easier to understand. But real people don't fit neatly into boxes. We are full of tensions and paradoxes that—when embraced—can bring immense depth and beauty to life. Through this series, we will explore how faith in Christ calls us away from an "either/or" experience of the world and into the wonderful truth of "both/and." (Breakthrough Worship Resources)

Red Shoe Reflections with Rev. Kathryn

As part of our vacation this summer we went tubing on the Chattahoochee River. While there were times we were together, there were also times I found myself alone and I had some time to think. Our faith walk is a lot like tubing. There are times when the river moves fast and times when it's slow. The river is faster when the water is shallow, it slows down when the water gets deep. The faster the water the more exciting it is but the slower times in deeper water is where we can really relax. There are times when our faith seems to be growing fast and things are exciting but it's when we have depth that we can sit back and rest in God.

The tubing company that we frequented offers sticks to help you down the river. I think they are a must. They can be used to move in the right direction, help get you out of trouble and be used to help others. We have many "helps" in our faith as well. Books and study can guide us in the right direction, wise mentors can help us stay out of trouble and we can share our knowledge to help others. You don't have to have a stick in the river just as you don't have to use a variety of helps to grow your faith, but they make it easier, so why say no?

While tubing, you have the option to tether yourself to your friend's tube, but they recommend no more than two. Having someone with you is fun, you are not alone and can chat all the way down the river. On our trips we occasionally encountered large groups of people tethered together. They were having a great time, I feel certain. But many times, one would make a bad decision and all of them were directly affected. One person would get stuck and then the entire group would get stuck. That is when it began to affect those around them, it was hard to navigate those large groups when things were moving fast. No one should have to walk alone, but we need to be careful of who we walk with. Sometimes we need to cut loose from those who lead us in the wrong direction and when our bad choices affect others we need to take note and make changes.

The last thing I learned is that sometimes you just get stuck. You may be stuck in a way that a small change puts you back on the go, but sometimes you have to get up and try something completely different. We can get stuck on our walk with Christ. The devotion we have used for years just isn't moving us anymore, our study topics are no longer interesting, we find that our prayer life and study time has become a chore as opposed to a joy. That's okay. Picking up and trying something new can be a great thing; no one enjoys being stuck for long.

Our faith walk, just like tubing, should be one of constant movement. Sometimes slow, sometimes fast, but we should never just stop moving. Feeling a bit stuck? That's part of my job, I would love to help you along the way. Whether it's tubing or your walk with Christ, don't stand on the side watching, come on in the waters fine!

Kathryn

August

Our offering this month is for Aldersgate Special Needs Ministry, a ministry of the SC Conference of the United Methodist Church that provides homes for adults with developmental disabilities. ASNМ does not receive funds from apportionments and depends on contributions. The residents enjoy living in a Christian environment and are encouraged to be as independent as possible with the support of trained staff.

Adults with special needs are among the most underserved people in South Carolina and the nation. As caregivers age, the need to support adults with special needs continues to grow. Aldersgate operates three homes for adults with special needs.

Last year we gave \$535, can we do \$700 this year?

Note to Trinity

Thank you so much for your contributions to Piedmont Salkehatchie. Dawn, Sarah Jen, Nick, and Nicole were valuable members to our team! The meal you provided was amazing. We could not accomplish what we do without the support of local churches.

Thanks again!

Safe Sanctuary Training **August 24, 2025**

As we gear back up after summer, it's time to have Safe Sanctuary training. While this training is key for those working with children, youth and vulnerable adults, the conference has asked that all members of the Trustees, Administrative Council and SPRC are trained as well. The reality is that the more people who are trained, the more people we have who can keep our children, youth and vulnerable adults safe.

We will hold our first training of the fall on August 24, 2025 at 3 pm in the Fellowship Hall. If you have any questions, please reach out to Rev. Kathryn at 864-224-2531 or kmbariou@umcsc.org.

What's Happening in a Glance

Hello, friends. This month, our KIDS ministry will be looking at the story of Jesus calling the disciples and spiritual gifts. Like Skittles, our gifts come in different colors. The candies' slogan is "taste the rainbow" and God's promise to us during the time of Noah was painted in the sky with a rainbow. God blesses us with unique talents and spiritual gifts that are different on purpose. We will take a spiritual gifts survey and see what gifts we have that we may not even realize are gifts. We will look at ways (even as children) that our gifts can be used. The disciples were called at different times in their lives and in different places. Every calling and every gift is special to God. We all have something to offer. Some people are artists, some are leaders or teachers. Some people are good with money and some people are good at organizing. Our world needs people from all walks of life serving and sharing their gifts with the rest of our world. Together, we become something greater than the sum of the parts. We enhance the flavor of life when we share what we have with each other. Taste the rainbow!

Words to Ponder:

"Your talent is God's gift to you. What you do with it is your gift back to God."

— Leo Buscaglia

Youth and Children Sunday Worship Service

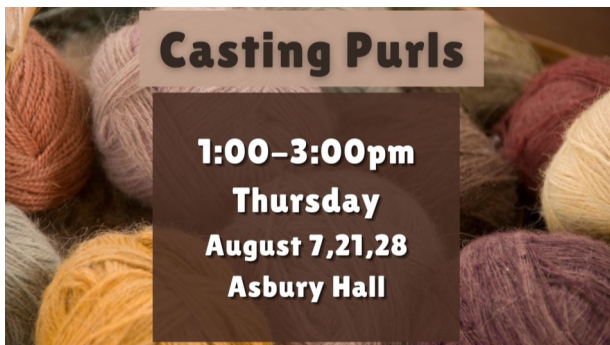

I am excited to announce that the Youth and Children will be leading a service on **October 19th**. We will be practicing and planning over the next two months. If your child or youth has a special gift that they would like to share in worship, please contact me and we can find a way to connect their gift with this service. For adults who check out our Newsletter page, please put the date on your calendar and attend that Sunday to support our youth and children. It is not easy to stand up in front of our church and speak or sing or pray. There may be a few flubs but it will definitely be a service of love. We are ONE body and we are the CHURCH.

Our regular weekly youth group (The Well) meets on Sunday from 5:30 pm—7:30 pm and Wednesday Night from 5:30—7:30 PM with a meal served both nights. A donation is requested for Wednesday meals but cost should not ever be a reason a youth does not plug in. Check out our Instagram, Facebook and website for details. We also have our youth Sunday school class from 10:00 am—10:55 am in our youth room above the gym. If you are a youth or have a youth interested in plugging in, email thewell.tumc@gmail.com or contact Dawn McLin for any information.

The Discipleship Path

Did you forget about our Discipleship Path, because I didn't. If you did, this is your reminder that we are all on this path, regardless of our age, place in life or how long we have been on the path. Below you will find three logos, reminding you of the three parts of the Discipleship path, Loving God and All People, Learning God's Will and Ways, and Living for Christ in the World. You will also see these logos throughout the newsletter alerting you to what Trinity is doing and how it fits into our Discipleship Path.

As always, if you have questions, I would love to help answer them. Rev. Kathryn

Campus/Business Report for August 2025

August represents regeneration and holds significant spiritual meaning as a time of harvest and abundance. It marks the final weeks of summer vacation for many families, preparing for a new school year, the return of normal activities at church and school. Many of you like me may be counting down the days anticipating cooler weather and the changes associated with fall.

We are continuing with our normal summer facility maintenance projects, addressing various forms of preventive maintenance within our operations to protect our investments and keep some older equipment running smoothly for as long as possible.

Over the past six months we have managed to keep our facilities clean and operational while addressing turnover and change in our Sexton- custodian department. We've rehired Jerry Norris as Sexton to bring stability back to the position, Jerry previously worked as Sexton from June 2023 – December 2024 and brings knowledge, quality care and understanding that benefits Trinity UMC, Trinity Preschool and Church Staff with his unending duties.

We completed our required Fire System inspection, upgraded some equipment within the system and Alarm network.

Our 1st floor Education Wing "Preschool" received a strip, seal and wax treatment. Those old floors will need to be replaced in the next few years. We are looking at several flooring alternatives to address this as a summer project while school is closed. Our older facility requires constant maintenance, planning and updates to operate at a level of comfort desired.

We would love to add a few additional members to our Sunday Safety Team, if you enjoy greeting people, giving helpful directions to visiting guest, offering assistance as needed and watch – report suspicious activity within our parking lot and campus, then we have a role for you! We do not act as Police officers or carry guns. The service we provide is friendly, helpful and welcoming in a Christian atmosphere. We welcome men and women above the age of 21, we have a safe location inside for distance observations for those uncomfortable working outside. Contact me during weekday office hours or Sunday mornings for more information, sign up, training etc.

Enjoy your summer!
